

The Okanagan Boys and Girls Club Presents the Annual Early Years Fair 2018!

The Early Years Fair is set for NEXT WEDNESDAY, April **25th** from 4:30-6:30pm at Highland Park Elementary School. This event is for parents and their children ages 0-6 years to gather information about child development and connect families to programs and services in the Armstrong area.

The free event is being sponsored by the Armstrong, Falkland and Spallumcheen Early Years Council, School District 83 and the Okanagan Boys and girls Club.

This Educational and Fun Fair for families is held annually in the spring, in the gym of either Elementary School in Armstrong. This year it is held in the gym of Highland Park school.

The Early Years Fair is an opportunity for parents, caregivers and all family members to gain information about their child's development, connect with service providers, receive a gift bag of education tools, enter to win prizes, all while having a lot of fun with their children.

Event includes Children's Entertainer Kiki the Eco Elf, Face painting by Christine and toys/ activity center provided by Child Care Resource and Referral.

"We are trying something a little different this year, as we want to give a opportunity to all parents who may be away working during the day, to come to the fair, thus the time of this year's fair is from 4:30-6:30pm."

Pamela would like to remind everyone, there is extra parking at the IPE grounds

For more information please contact Early Years Coordinator Pamela at 250-550-7359.
