Treasurers Report: Displayed online, delivered by interim treasurer Adina. Accepted by Jill, 2nd by Becky. Motion made to spend \$0.75 to cover the cost of e-transfer to the school for incorrectly received funds.

Principals Report: Displayed online, see attached.

Old Business

Dueck Falkland Farms Fundraiser: Completed last month, we don't know the profit margin yet as we are waiting on a total of our expenses from Dueck. There will also be a price increase on some of the products next year due to rising cost.

Candygrams: There was good feedback again this year, people really seemed to like the new format and being able to customize their own message. There were some comments about some children not receiving as many as their friends or siblings so we are definitely open on suggestions as to how to avoid this. Motion made to reimburse Jill the extra expense of \$107.57 for the candygram supplies by Becky, 2nd by Megan J. and all in favor. Thanks for assembling these for the students Jill!

PAC Hot Lunch Challenge: Feedback on the soup was amazing, everyone loved the soup and buns and fresh fruit. There were tons of rave reviews.

New Business

Shuswap Coffee: This fundraiser has been requested again a few times so we are hoping to get it up and going asap. We are aiming to have order forms go out by the end of the week.

Easter Purdy's Fundraiser: Information went out yesterday and the online posts were made a few days earlier. There will be a small prize drawn and awarded to two of the people who place orders, this info will be added to the online posts.

Unfortunately there is no way to track who raised what with the online system.
Happy Ordering!

Easter Egg Hunt: We would like to run the Easter egg hunt again this year. Students really seemed to love it and we still have eggs and bags for candy from last year. We will need to purchase candy again. Motion made by Becky to spend up to \$100 on egg hunt candy. 2ND by Jill, all in favor. April 14th has been set as the tentative date for this at approx. 1pm.

Krispy Kreme: We would like to run this again after the success of our initial run last year. Pre-orders will not be available to the community as it was too much of an inconvenience to ensure everyone received their orders promptly. We will be moving to a first come first served basis this time. We will get this off the ground and running shortly.

Treasurer Needed: We require a treasurer again! Unfortunately Pascalle has resigned; if you know of anyone who is willing or able to take this on please contact Shelly or Adina.

Hot Lunch Coordinator: We also need a hot lunch coordinator! If you know anyone who loves to cook and would be willing to help us out please have them contact Shelly or Adina. We are still offering to cover the cost of foodsafe for anyone who wants to take this on.

Cobs Bread: Is under new management so they had looked into how much fundraising our school has earned and will be sending us a cheque. Thank you to all those who mention our school when shopping!

Grad Donations: Motion made to donate our annual \$400 for the grads this year by Becky, 2nd by Jill. All in favor.

Meeting Concluded: 8:13 pm
