

Annual SD83

ORANGE SHIRT DAY T-SHIRT DESIGN CONTEST

Join SD83 in Reconciliation as we call upon local youth to design a logo that will be printed on the 2023 SD83 Orange Shirt Day T-shirts.

The SD83 Indigenous Education Department welcomes your creativity!

Each year on September 30 we wear orange to mark Orange Shirt Day, the National Day for Truth and Reconciliation. On Orange Shirt Day we honour the children who never returned home and Survivors of Residential Schools. Orange Shirt Day is intended to raise awareness of the individual, family, and community inter-generational impacts of Indian Residential Schools, and to promote the concept of "Every Child Matters".

Logo design criteria:

- line drawings only (black lines are preferred, no shading or colour)
- original designs not copied from other sources
- represent the theme "Every Child Matters"

There will be a prize and a T-shirt for the creator of the chosen design and a prize draw for all entries.
Deadline for submissions: February 16
